Regional Swimmers

Redruth School swimmers are once again making significant headway in the competitive swimming circuit. The school boasts an incredible five swimmers who have qualified for the 2016 Regional Swimming Championships: Emma Kendall, Jade Exell, Jago Mottart, Turaya Evans and Charlie Varker. The regional qualification times are particularly tough and this endeavour is something which is only achieved by the top 5% of competitive swimmers in the country. The swimmers all train with Carn Brea and Helston Swimming Club and have put in significant, focused training to reach this standard. The regional championships are held over three weekends in May at Plymouth, Bristol and Millfield and we wish our swimmers the very best of luck.

Redruth 6th Form

Apprenticeship Success

Congratulations go to Jake French, Year 13 student, who has obtained an apprenticeship with Pendennis Ship Yard. There were over 200 applicants for the position. He starts in September.

Cheerleading Star!

Well done to Amber Caley Year 13 student on her promotion within Cornwall Cheerleading.

Oxford University Summer School

Well done to Yselkla Hosking who has achieved a notable double. She has been chosen to attend one of the prestigious UNIQ Summer Schools at Oxford University this summer. She has also been successful in gaining a Nuffield Placement, meaning she will gain experience of work in a science-related industry this summer. Busy times ahead for Yselkla!
