Annie

Annie has been an absolute pleasure to work on! The actors, musicians, technicians, backstage crew, front of house and marketing team have been amazing!

When we began the Annie journey back in the summer we knew it was going to be hard work, but as time progressed and got closer to opening night, staff and students worked so well together and demonstrated the amazing ethos a production can bring to a school and it's community!

The students came alive on stage and through this production have gained confidence, new skills and friendships! We are all looking forward to the next one and look forward to having even more talent in it! Well done to the students and staff of Redruth you have done us all proud! - Mrs H McGovern, Director.
