Top Tips for a successful exam unit

- Students will be set regular homework, please encourage your child to complete this work by the set deadline. The homework is often research work in preparation for the next practical session in the classroom or will be an extension of work completed at school.
- Encourage your child to look at a wide variety of Artists and Designers to inspire their work.
- Visits to local galleries such as the Tate St Ives, the Exchange and Newlyn Galleries in Penzance, The Falmouth Art Gallery and the Royal Cornwall Museum in Truro
- Provide a space at home where work can be laid out and worked on.
- Encourage your Child to create a diary / checklist of the tasks that need to be completed.
- Encourage them to communicate with their Teacher their ideas and any concerns they have.
- The school will supply most of the materials and resources, but your child may want to use other materials. The Best places to purchase these are Jims Cash and Carry (Redruth) The Range (Truro) and Trago Mills (Falmouth / Liskeard)
