

REDRUTH SCHOOL

Expect the Best

At Redruth School the students come first; this is reflected in everything we do. A strong academic curriculum supported by outstanding extra-curricular provision, helps Redruth students develop the necessary skills to be successful in adult life.

You are warmly invited to our

Open Evening

Thursday, 14th September

5pm - 8.30pm.

"The promotion of students' development is exceptional.

Students display enthusiasm in all types of learning environment.

Expectations are high throughout the school.

The school's work in keeping children safe is outstanding. "

THE REDRUTH SCHOOL NEWSLETTER

Issue 220 7th July 2017

Year 11 Prom

Merchants Manor, Falmouth was the venue for the Year 11 Prom this year. Students enjoyed a humorous awards ceremony and music and dancing into the evening. Mr Martin, Headteacher said, "This group of young people are high achievers who have ambition and determination and will make valuable contributions to their community both now and in the future."

6th Form Prom

St Michael's Hotel, Falmouth was the venue for the 6th Form Prom. It was a fabulous evening and brought a stylish end to seven years of education at Redruth School. Students and staff enjoyed a lovely meal and a fun evening, packed with awards and speeches. Good luck to all of our Year 13 students!

Primary Transition

Two hundred and forty future students joined together for a fabulous two day transition programme last week. Students from local primary schools were given an opportunity to make new friends and discover how easy it is to settle into secondary school life. With activities including all areas of the curriculum, students quickly started working with each other, developing new skills and building their confidence. We look forward to welcoming our new students in September.

Summer School

The deadline has passed.
We are unable to take further applications.
