Kernow Youth Book Awards

The KYBA ceremony, which took place on Wednesday 30th April 2014, was a great experience. It was interesting to see other schools' interpretations of the books, and how they presented them to us as the audience. We did our presentation on 'The Bunker Diaries' by Kevin Brook which we thought was the best out of the 6 books we read over the 4 month period. At the presentation we had the opportunity to meet Chris Higgins, author of The Day I Met Suzie and He's After Me.

At the ceremony we were shown videos and letters from other authors expressing how grateful they were for getting their books into the line up. We think that our presentation about The Bunker Diaries went well and we were able to explain to the audience our thoughts and interpretation of the book. A big thank you to Mrs Mottart, Mrs Miller and Miss Stapleton.

U 12 LEAGUE CUP WINNERS!

Sunday 4th May 2014 is a day that will never be forgotten at St Day AFC. Goals, drama, end to end football, penalties, history making, high blood pressures and massive smiles were all on the list thanks to the U12s & U11s.

The U12s enjoyed a historic moment as St Day U12s lifted the League Cup trophy for the first time in 30 years, last won on 8th April 1984.

Cambodia Calling

With the help of Body and Soul Fitness, I planned a Zumbathon to help raise money for an expedition to Cambodia. This expedition involves 4 weeks of personal development, wildlife conservation and trying to improve the standard of living for Cambodia. I am really looking forward to this expedition and I hope I raise enough to go!

Thank you to everybody who has donated some money to me so far.
