

Free Taster Healthcare Careers Workshops

Year 10 & 11 school children

DHCTA link with schools in Cornwall to raise awareness of healthcare careers in Cornwall.

The variety and scope of careers in healthcare is huge and most young people are not aware of the possibilities available to them.

What we offer:

2 hour workshops.

- 45 minute - practical workshops in our simulation centre including Basic First Aid and Manual Handling Taster Sessions with a qualified tutor.
- 15 minute break
- 45 minute - Healthcare Careers Workshop exploring the range of careers in both the Health and Social Care Sectors and how to achieve them in our interactive training environment.

How many students?

Maximum of 20 students split between the two groups.

The school would need to arrange for the students to attend the Academy session.
