

THE REDRUTH SCHOOL NEWSLETTER

Issue 135 10th October 2014

Super Creative Saturday

Pupils from local primary schools enjoyed a range of creative activities when they attended Redruth School on Saturday 4th October. While some pupils got stuck into making pinch pot monsters others were busy planning and filming advertising campaigns using a range of electronic media. There was also the opportunity for pupils to use the drama studio facilities and perform to an audience whilst using props and

incorporating music into their scenes. Jack, Year 6 pupil said, "This has been brilliant. We have been able to use our own ideas and work out how to do things for ourselves. I really enjoyed using the

cameras to record our adverts and play them back on the apple macs."

REAL PROJECT BOOK LAUNCH

**WEDNESDAY
15TH OCTOBER
6PM
REDRUTH
SCHOOL HALL**

**FEATURING
THE KERNOW
KING**

**CLOTHES
SHOW
LIVE**

4-9 DEC 10
NEC BIRMINGHAM

Book your tickets with Miss Mackellar.

Please note that the link on the show my homework letter that was sent home, in some cases, didn't work. Please access Show My Homework through the school website.

Science Revision Guides

Letters have been sent home for all students regarding Science Revision Guides. Please contact Miss Thomas, Head of Science, if you have any queries.

World War 1 Commemorative Exhibition

On Saturday 27th September a group of Sixth Form volunteers helped by Mr Johnson and Miss Johnson constructed a mock up trench in our future Commemoration Room. It was hard work filling 100 sandbags with over a tonne of gravel and soil, as well as sawing up wooden pallets and positioning barbed wire, but everyone worked as a team and really enjoyed the experience. Our World War I commemoration room will be completed and open for public viewing in November. We look forward to welcoming you.

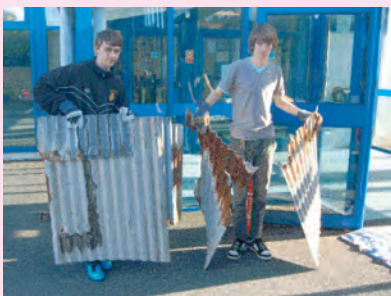

Particular thanks go to the following people:

Our Sixth Form volunteers who helped with such enthusiasm.

D & R Building supplies for the tonne of gravel, dust and pallets.

Carter's Packaging for the hessian sandbags.

Stuart Goy landscaping for various tools, materials and time.

Breton Musician

On Friday, 7S had a special visitor to their French lesson. Dom Duff is a French songwriter and musician from Brittany who sings all his music in the Breton language. As Celtic regions, both Brittany and Cornwall have a lot in common, not least their flags, both black and white, and their traditional fishing industries. However, although Kernewek and Brezhoneg languages have many similarities, the Cornish language has all but disappeared from use. In comparison, approximately 240,000 in the region of Brittany speak Brezhoneg fluently. It is the first language of most Bretons, followed by French. Dom came in to play a few songs for us and tell us a little about his heritage.

England U15 Pole Vault Champion soars to the top of UK rankings!

Molly Caudery produced a stunning finish to the season, not only smashing her personal best in the pole vault but also soaring to the top of the UK rankings. Molly won the England Championships at the end of the summer with a clearance of 3.30m. She then went on to improve her performance last weekend by a staggering 23 cms setting a new personal best of 3.53m. This performance not only set a new South West record but also lifted her to the top of the UK rankings and places her third on the All-Time list.

Well done to Eli Connon, Year 11, who won the St. Ives Junior Triathlon last weekend.

House Rugby and Netball dates

- Monday 13th Oct Period 4 – Year 9 (9Y on PE)
- Monday 13th Oct Period 3 – Year 10 (10X on PE)
- Tuesday 14th Oct Period 2 – Year 7 (7Y on PE)
- Friday 17th Oct Period 4 – Year 11 (11X on PE)
- Friday 17th Oct Period 3 – Year 8 (8X on PE)
