Dance Success

Jago Mottart, Year 10 student, continues to shine brightly in 2018 as he has been selected to dance with Britain's Got Talent finalists Shannon and Peter Parker, known as Bitter Harvest, in their headlining performance at the Excel Arena in March.

The duo formed part of the judging panel at Encore 2017, a national dance event in November in which Jago performed and competed.

Jago emerged as a double winner at this event, taking both the lyrical and the commercial duo competitions.

Jago is now attending rehearsals in Birmingham.

Jago has previously been selected as a scholarship member of Lukas MacFarlane's SEEDs company, training in London every week. He was also awarded a scholarship place on TD Italy, where he managed to make the cut as one of Brian Friedman's select dancers.

Jago has also been spotted by French choreographer and dancer Julia Speisser at Shine dance event. He will be taking part in a multi-national dance performance in Paris in 2018.
